

ADAPTIVE ROCK CLIMBING CLINIC

Join the Gaylord Hospital Sports Association, along with Ascent Climbing and Prime Climb for our annual Adaptive Rock Climbing Clinic! This is a great opportunity to try indoor rock climbing alongside professional and experienced climbers. Individualized instruction will be provided to introduce adaptive equipment, teach specialized climbing techniques and to support your independence.

Saturday, March 25
10 am – 2 pm
Prime Climb
340 Quinnipiac St,
Wallingford, CT

Open to ages 16 and up who have a physical disability or visual impairment.

Standard and adaptive equipment provided and no experience necessary!

This event is FREE
however space is limited and advanced registration is required.
