ENCLOSED ROOM - NEW SOUND SYSTEM**

A COLLABORATION OF MASSACHUSETTS REHABILITATION FACILITIES, CONSUMER ORGANIZATIONS, LEGISLATORS, SCIENTISTS, RESEARCHERS, POLICY MAKERS, AND ADVOCATES WORKING TOWARD A COMMON GOAL TO INCREASE AWARENESS AND FUNDING FOR SPINAL CORD INJURY CURE

Our goal to increase funding was achieved on paper with new legislation. Actual numbers will be announced. We need to continue to show our legislators in human terms the value of their commitment.

The SCI Trust Fund was established in 2004 to provide funding opportunities for SCI research in Massachusetts. To date \$750,000 has been allocated to this fund.

Please join us at the State House to show your support and inform lawmakers about SCI. A buffet lunch will be available.
