

Informational Meeting

**United Spinal
Association**

Connecticut Chapter

Topic: Wound Prevention

Presenter: Dr. Aziz Benbrahim

As part of our new support group series Dr. Benbrahim from Hartford Healthcare will discuss wound prevention. Many with SCI/D have difficulty maintaining healthy skin. The risk of pressure sores is an on-going and daily battle. Come and listen to this valuable and informational discussion.

When: Wednesday, January 4th at 6:30 PM

Where: Chapter 126 47 Upson Street, Bristol, CT

A light dinner will be provided
